Change comes to The Citadel

We live in a world of change—whether at the international, national or campus level. And change has finally caught up with your yearbook, as this 1965 Citadel has made several sharp breaks with the past.

Most noticeable changes will be found in the faculty and senior sections. Instead of adding to the already overwhelming number of group pictures necessary in a yearbook, we have switched to individual pictures of faculty in informal, if not candid, poses. We feel this has made the faculty section one of the most interesting portions of the book.

The senior pictures have been reduced in size from past presentations and stripped together in a modern treatment. In addition, the arrangements and sizes of the strips have been varied from page to page to

eliminate the tendency toward monotony.

There are other changes too. We have tried to make better use of white space in our layouts. As a result you will see pages that are not overcrowded with pictures, giving a more relaxed atmosphere to the presentation of the 1965 school year. And we think you will find it easier to read and leaf through.

We have returned to the use of pictures inside the front and back covers, and for the first time we have used different pictures inside the two covers instead of repeating the same one twice. Again we think this is a modern and intelligent way to produce a yearbook.

We have punctuated the volume of group club pictures with pictures of each organization in action, where possible. And we have included a descrip-

tion of the club's purposes and functions, in an effort to make this a more meaningful yearbook.

We have introduced the "Vital Statistics of a College" feature on page 163. The facts and figures of student enrollment may seem like dull statistics now. But we feel that 20 years from now you will find it interesting to recall how many classmates you had and to compare this total with other classes as the college grows.

Some of our layouts have pictures close together to balance the additional use of white space. And the layouts have been put together with clean lines of design in keeping with the modern treatment that we hope will make this 1965 Citadel a joy to look at five, ten, and twenty-five years from now, as well as the first time you are looking at it.

DEDICATION—TO DEAN

DR. FRANK M. CHAMBERS
Dean of the College

Dean Chambers (left) with Dean of Students Michael J. Reynolds and President Cecil C. Tyrrell at the farewell dinner for the two deans, who have left Broome Tech for positions at Middlesex County College in New Brunswick, N. J.

Dean Chambers peers out his window to look over the campus.

FRANK M. CHAMBERS

We're Sorry He Left . . .

but We're Happy for Him

On March 10, we were all surprised to learn that our Dean, Dr. Frank M. Chambers, had resigned to become president of a new two-year community college in New Jersey — Middlesex County College in New Brunswick. His resignation was effective July 1, so he finished out the school year with us.

He served Broome Tech with distinction in many capacities since 1957 — first as director of admissions, then as dean of students, and finally as dean of the college. He is a graduate of St. Lawrence University, earned his Masters degree at Cornell, and received his doctorate from the University of Florida.

He was a Navy man, too, and in fact still is, as he recently rose to the high rank of captain in the Naval Reserve.

That is his biographical background. But there is much more to this man than these mere facts. Peggy Telfer, editor of Tech Talk, our campus newspaper, expressed the student viewpoint well in her April 9 editorial, which we reprint below. We agree, and we too shall miss him.

A big man in many ways

TECH TALK EDITORIAL

This is a tribute and a farewell not to a dean of a college who can be classified and labeled "administration" with which the students have had numerous quarrels, but rather this is a tribute to a man as we have seen him.

We first remember Dr. Frank Chambers, the man, as he was batting a baseball at a student picnic at State Park, then running from base to base with the vitality of the nineteen-year-olds with whom he was playing. That day he approached us with twinkling eyes, to our surprise called us by name, and carried on a conversation as if we were old buddies.

Since that day, we noticed Dr. Chambers at almost every social event on campus, usually accompanied by his attractive and personable wife. Obviously a happily married man, Dr. Chambers regularly sat in the bleachers at the Hornet ball games holding hands with his wife or cheering with the crowd; he whirled her around the floor at the campus formal, and sometimes at the SUB openings; he sang with her around a campfire at the picnic held by Mr. Church-Smith for his German classes last spring; he introduced her to us and many other students with the pride John Kennedy had for Jacqueline.

We didn't delve into files or question anyone to find out what Dr. Chambers has done as dean of the college because to us this is not as important as the man we will remember.

He is the carefree, happy man, always smiling and enjoying his life, his job, and his students; the lanky man in a gray suit and bow-tie driving an old beat-up Buick to campus. This is the man we will remember, and this is the man we will miss.

Never lost touch with the students

IN MEMORIAM

PROF. DONALD
W. EMMONS
(1923 — 1964)

Prof. Donald W. Emmons was one of Broome Tech's youngest old-timers, and he will be missed by all who knew him. And there are many who not only knew him, but who also benefited from his knowledge, as he taught in the college's Electrical Technology Department since 1947.

Yet he was only 41 years old when he died.

It happened on Sept. 8, the day after Labor Day. He was putting in a patio in his home when he felt sick. He sat down to rest and finally was sent to the hospital in an ambulance. He died before he ever reached there.

Prof. Emmons was a former chairman of the Faculty Association at Broome Tech, and he served the Susquehanna Valley School Board as its president. In

fact, he had recently been elected to serve another term on the school board.

Among his major accomplishments were helping to raise the salary level of Broome Tech faculty members, as he headed the faculty committee that worked with the Broome County Board of Supervisors on this thorny problem.

He also was president of the Susquehanna Valley School Board when it had its vast building program in the late 1950's. So Prof. Emmons was obviously a man associated with success.

The College Board of Trustees has established a scholarship in his name, a fitting memorial to a man who did so much for the college and its students.

The entire Broome Tech family — students, faculty, trustees and alumni — mourn his sudden passing.

Hornets Lose Christmas Classic for First Time . . .

The Broome Tech Hornets failed to win their annual Christmas Classic Basketball Tournament for the first time, when they lost to a powerful Joliet Junior College quintet from Illinois. The undefeated Joliet Wolves made the Hornets their 10th consecutive victim by scoring an 85-68 victory in the final.

The Hornets handed Brevard College of North Carolina a 73-56 setback in the first round, after Joliet had beaten Jackson Junior College of Michigan 77-70. With three teams from distant states, this year's Christmas Classic had the most inter-sectional flavor in the six-year history of the event.

Broome Tech President Cecil C. Tyrrell presents the Christmas Classic trophy to Joliet coach Fizz Wills, as the Wolves' star player Willie Boyce looks on. Willie was the tournament's Most Valuable Player.

Phil Meagley tosses in a shot from under the basket against Brevard despite the all-out efforts of his opponent to block the shot.

. . . but Capture Empire State Conference Title for 6th Time in Last 8 Years

Although they lost the Christmas Classic and the regional tournament, this year's Hornets came through to capture their sixth Empire State Conference basketball championship in eight years. They won 15 conference games and lost only one.

The key triumph was a 62-58 win at Canton Tech. It was Canton's only loss until the Northmen played in the National championships in Hutchinson, Kans., as they went on to take the regional crown.

The Hornets were unbeaten in league play until the season finale, when they bowed 66-62 in Binghamton to an Alfred Tech team they had previously beaten at Alfred 81-75. But they did not need this win, as they had already clinched the ESC crown.

The Hornets benefitted by a forfeit victory over Onondaga in a game the Onondagans had won 68-66 in overtime. But the Braves had used an ineligible player, which was discovered late in the season.

Though he is outjumped, Lou Shaffer gets the ball in this action in the game at Alfred Tech.

Only the uniforms look like basketball in this unusual action shot during the game against Joliet in the Christmas Classic finals. The action looks more like football with a Joliet player the center and Wes Horton of the Hornets the T-formation quarterback.

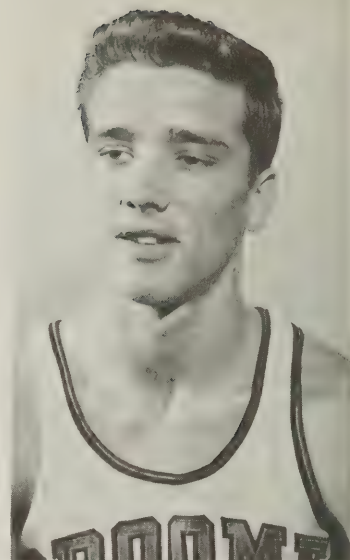

They Excelled

WES HORTON looks tired here after some strenuous game action, but he did a fine job for the Hornets and was captain of the basketball team.

Wes, a Binghamtonian, didn't come to Broome Tech until he was 22, as he decided late in life to add to his high school education. He entered Broome Tech through the Pre-Tech program and did well in class as well as on the court.

PHIL MEAGLEY climaxed a two-year basketball career by setting a Broome Tech record for scoring, making three All-Star teams, and receiving All-America honorable mention by the National Junior College Athletic Association.

He scored 1,009 points in his two years with the Hornets to become the first player to score more than 1,000 points.

He was named to the Empire State Conference and Region 3 Juco All-Star teams and to the all-tournament team in the Broome Tech Christmas Classic—all for the second straight year.

A slender six-footer who weighed only 150 pounds, he came to Broome Tech from Oneonta. He was named the Hornets Most Valuable basketball player.

Flashing big smiles after they had been named the most valuable players in their respective sports are Mike Marano (cross-country), Dick Swantak (soccer), Tom McCarthy (golf), Bruce Evans (wrestling). Not pictured are Mike O'Connell (MVP in tennis) and Wally Rezucha (baseball MVP).

Standing: Statistician Charley Kernehan; Doug Frederick, lb-p; Dick Westfall, of; Wally Rezucha, p-lb; Howie Hitchcock, of; Tom Smith, lf; coach Ed Daub.
Seated: Rick Halter, ss-c; Bernie Forse, p; Les Rorick, cf-p; Don Jones, 3b; Dick Sleeper, rf; Jim Andrews, 2b; Tony Ciccotti, c-ss; manager Ron DuBois.

Bad Finish for Baseball Hornets

Losses in seven of their last eight games gave the baseball Hornets a poor 6-10 won-lost record, after they had won five of their first eight.

The losses began in the Region 3 Junior College (Juco) tournament, which was held at Broome Tech. The Hornets entered the competition with a three-game winning streak.

Left fielder Tom Smith was the club's top hitter for the season with a .350 batting average. Shortstop-catcher Rick Halter was the

only other .300 hitter with his .304 mark.

Smitty batted in eight runs, Halter and pitcher-outfielder Les Rorick seven each, and second baseman Jim Andrews six. Halter had five doubles and two homers to be the extra-base leader.

Though his pitching record was two wins and five losses, Wally Rezucha was named the most valuable player. He completed four starts and was the work-horse of the pitching staff. He also played first base.

Slow Start Spoiler for Soccer Season

Because of a change in the college calendar after the soccer schedule was made, the soccer team had to play three games before classes began. The Hornet booters lost two of these and never recovered from the poor start.

They lost six of their first seven games, including five in succession. So winning two, losing two and tying one in the last five games only brought the season record to 3-8-1.

Dick Swantak, the Hornets' leading scorer, was named to the Region 3 Juco All-Star team at forward, and Bob Lesko was chosen for the regional second team at half-back. Bill Connelly made more saves than any other goalie in the region.

Cross-Country Team Posts 7-1 Record in Dual Meets

Mike Marano, Marshall Bradley and Pat Sheridan led coach Dick Leo's cross-country team to seven victories in eight dual meets in the fall of 1964, and the Hornets placed third in two invitational meets and fourth in the Region 3 Juco competition.

The Hornets' three most hurrying harriers placed in the top four positions in seven races, including three when they grabbed all three of the top places.

Marano won four races, was second twice and third twice; Bradley had one victory, three seconds and three thirds; Sheridan also won once, placed second twice and third twice.

Marano and Sheridan are freshmen, and Bradley a senior.

Tennis Team Enjoys Winning Season

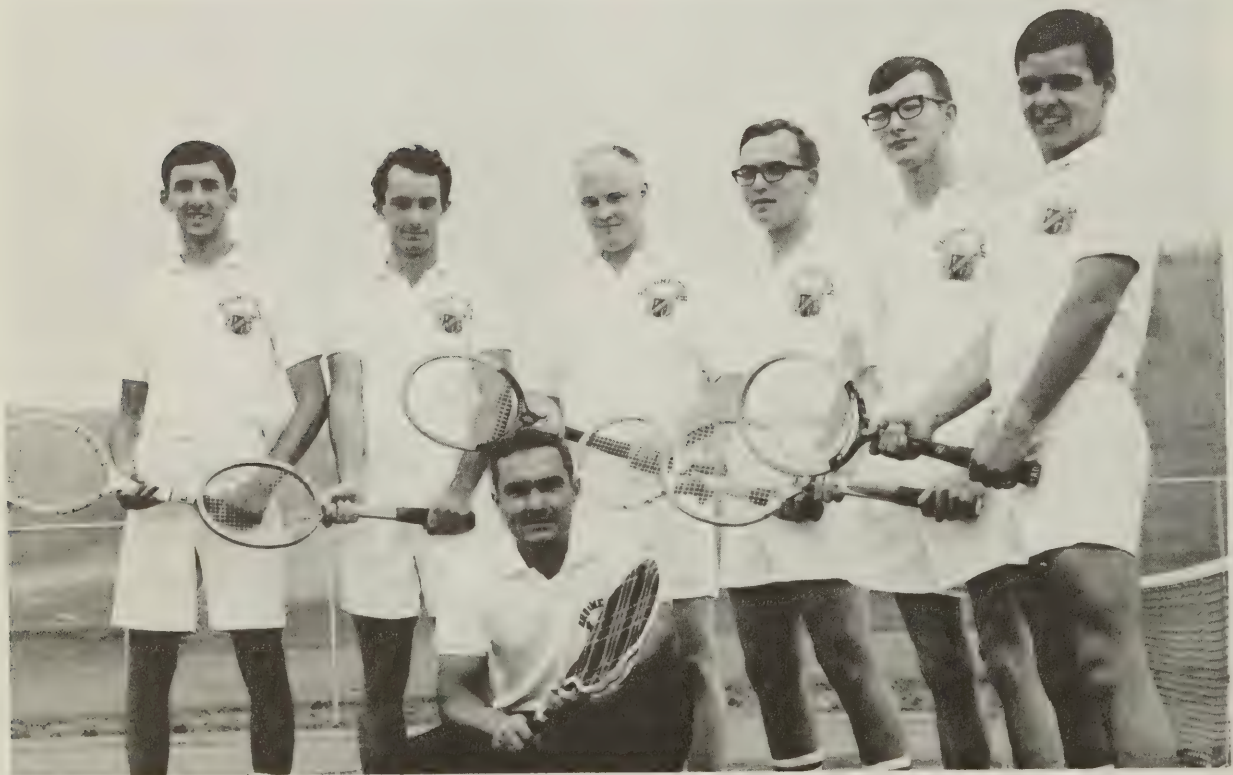

Bob Reyen returns a forehand.

Mike O'Connell and Jim Murphy led the tennis team to a winning season, as the racket-swinging Hornets won six dual meets and lost four and placed third in the Region 3 competition.

O'Connell won 14 and lost 7 matches in both singles and doubles play against the region's top opponents. And Murphy posted an 8-2 won-lost record. He's a freshman, so high hopes are held for him in his senior year.

Golfers Start Well, Win 6, Lose 5

After copping their first four matches, the Broome Tech golfers lost the winning combination and finished the season with a 6-5 won-lost record. In addition, they placed eighth in the Region 3 Juco competition.

Tom McCarthy was the Hornets' top performer. He played in all 11 dual meets and won 10 times while losing once. Steve Drosdek was the only freshman on the squad.

Matmen Win 4, Lose 6 Matches

Bruce Evans getting on top of an opponent in a practice session.

Two little fellows, John Shiel and Bruce Evans, paced the Broome Tech wrestling team, the college's first in seven years. John won 10 and tied one of his 11 matches, and Bruce won his first seven before bowing in his season finale. He is a 123-pounder and Shiel 137.

Captain Andy Seyfried and Bob Wahlberg also did well for the Hornets, each posting a 7-3 won-lost record—Andy at 147 pounds and Bob at 177.

The team won four and lost six of its dual meet matches and placed sixth in the Region 3 Juco tournament.

ACTIVITIES

AMERICAN CHEMICAL SOCIETY

Last year marked a first for 28 Broome Tech students who joined the American Chemical Society as student affiliate members. This was made available, for the first time, by the American Chemical Society, to students at community and junior colleges throughout the country. These students can now become a part of one of the leading scientific societies.

The American Chemical Society with almost 100,000 members, is the world's largest scientific society.

Student affiliate members receive "Chemical and Engineering News," the official news magazine of the American Chemical Society and attend technical meetings of the Binghamton Section of the American Chemical Society. They also sponsor meetings on campus with industrial chemists and discuss modern trends in chemistry with leading scientists.

Row 5: John Early, Dick Randles, Joe Gulbin, Wayne Burgess, William Metzgar, James Liddle.

The Student Chapter 40 of the American Society of Tool and Manufacturing Engineers (ASTME) has a membership taken from the technical curricula. Its primary objective is to gain knowledge and experiences from fields related to the technical technology.

Speakers from the tool and manufacturing field are invited to speak and show their demonstrations and slides to the student members at their meetings.

Tours of local industries are a monthly activity. An occasional project or social event adds spice to the activities of the group.

BUSINESS CLUB

The Business Club's main objective is to acquaint members with area business concerns and acquaint these concerns with our business courses at Broome Tech. This is accomplished by inviting guest speakers to our meetings. Many of the speakers are, themselves, graduates from the business option who are now working at various concerns throughout the Triple Cities area.

Throughout the year, the Club's projects consist of sponsoring the Christmas

Classic, book purchasing, and coat checking. The money earned from the Christmas Classic is divided between the Club and the Athletic Department. The Club's money is put in a scholarship fund for students. The money earned from coat checking is used entirely for the expenses of the trip to New York City during spring vacation. Though designed for business students primarily, membership is open to all undergraduates.

CAMERA CLUB

A Model Night moment with Anna Polakovich.

"You leave me, breath-less" (Cindy Kondrach, Peggy Swartwood, Anna Polokavich, Warren Elliot, Carolyn Day, Jennifer Trudgeon)

Membership in the Camera Club has more than doubled in the past year, and its main objective is to provide its members with the means by which they can improve their knowledge of photography. There are two well equipped darkrooms, one for film processing, the other for print making. Members find such materials as cameras, film, paper and chemicals readily available.

One of the main projects of Camera Club is its Model Nights, held several times during the school year. This teaches the fundamental use of the camera, portrait techniques and lighting arrangements. Camera Club is in the process of completing a backdrop to improve the studio.

The College Choir has long had a series of "firsts" among its traditions. Organized with the philosophy that good music performed well is not only an educational but a recreational experience, this group continually brings to the campus and the community programs of high caliber choral literature.

Rarely in a junior college is there a chorus that performs major works accompanied by full orchestra. This is not so with the Broome Technical Community College Choir because of the unique association of this group with musical organizations in the community. Orchestral accompaniment has been provided when called for in all major choral concerts.

The highlight of this musical year was the performance of the Hanson's "Song of Democracy" in concert with the Binghamton Youth Symphony during the winter term.

The College Choir joins with the Men's Glee Club for tours to other schools and other colleges, and in conjunction with them, presents the annual Pops Concert on the terrace of the Student Center in May. Commencing rehearsals on the first Tuesday of the school term, the choir rehearses weekly until the final performance at the June commencement exercises.

The officers are Lloyd Relyea, president; Ann Marie Popik, secretary; David Hill, Treasurer; and Craig Chellis, business manager.

Choir members Dennis Ritch, Oksana Prytula, David Hill and Kathy Reynolds prepare for the trip the Choir took to Corning.

Mr. Charles M. Greene, Director.

The Men's Glee Club, also known as the Tech Tone Masters, is one of the most active groups on the campus. Contributing to the campus life and social life, as well as the cultural life of the community, this group of men has achieved a reputation for excellence in the performance of literature from all musical periods.

The annual spring tour to other colleges and high schools in New York State has made the reputation of this group well known to students and faculty on a broad geographic scope.

Drawing its membership from virtually all curriculums on campus, it provides the opportunity for students of diversified curriculums to get to know each other and to benefit from each other's personal as well as musical experiences. It is through the efforts of this group that the annual Candlelight Cafe has become the social highlight on the campus.

This year's officers are Anthony Steflik, Jr., president; Dennis Ritch, Vice President; and David Hill, treasurer.

The Talent Show even included a professional folksinger, freshman Warren Elliott.

The Circle K Club is one of the more active organizations on campus. It is not a social fraternity, but a service organization for college men and is directly sponsored by the Chenango Valley Kiwanis Club. Besides performing service for other people, the club builds leadership and character in its members.

Two major annual projects sponsored are a Talent Show for the benefit of the United Fund and the publication of the Student Directory. In addition, numerous small services are performed on campus. And in conjunction with the Kiwanis Club, services are performed for the community.

Membership is open to all full-time students who are able to maintain a 2.00 scholastic average.

Officers: President—Anthony Steflik, Vice-President—John Earley, Secretary—Dennis Ritch, Treasurer—Richard Randles, Faculty Advisor—Mr. William Penoyer.

THE CITADEL

Seated are Jane Butchko, Hudda Aswad, and Dawn Joy. Standing are John Rush, Leighton Knox, Robert Burns, and Tom Alexander.

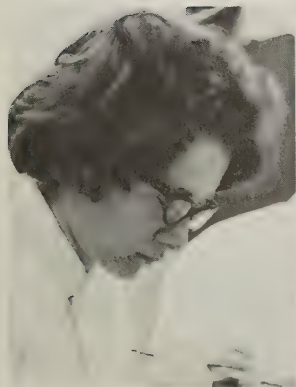

The Citadel is the college yearbook, providing a permanent pictorial record of the school year. For this reason the yearbook is distributed in the fall, so that even graduation is included in a complete record.

In the past year many changes have been made which the staff believes have enriched both the book's appearance and its interest for the students.

The name "Citadel" points up one of

the few traditions of Broome Tech. It is derived from the fortress-like appearance of the college's original building. That was the State Armory on Washington Street which burned down in 1951. The site is now a parking lot across the street from the Capri Theatre.

The co-editors are Hudda Aswad and Dawn Joy, with Mr. Marvin Behr the faculty advisor.

DEBATE SOCIETY

Mr. Charles McGranaghan, Thomas Alexander, John Edgecombe, Gleason Snashall.

The objectives of the Broome Tech Debating Society are best understood as objectives of its members. Members learn the importance of the search for truth, how to express it clearly and in colorful language and how to defend it from the attacks of others. They learn how to use sound reasoning and how to deal fairly with others.

Organized in January, 1965, the society participated in competitive debate tournaments at Utica College and at Elmire College,

in practice debates with novice debators from Harpur College and in intra-team debates.

During the 1965-1966 debating season, the society plans to send teams to ten tournaments. In addition, the society will participate in its own tournament, THE MARINE MIDLAND INVITATIONAL TOURNAMENT, to be held on the Broome Tech campus in March, 1966.

Debate Captain: John Edgecombe

Future Secretaries Association

The purpose of the Broome Tech Chapter of Binghamton Future Secretaries Association is to stimulate interest in the secretarial profession. It is the desire of FSA to develop a better understanding of secretarial responsibilities and to provide a basis for better secretaries of the future.

The FSA chapter operates according to policies and regulations established by the National Secretaries Association (International) with the Binghamton Chapter of NSA (International) as its sponsor.

Women students enrolled in secretarial subjects at Broome Technical Community College are eligible for FSA membership.

Row Three: Mr. Drake and Judy Hanzalik framed in the ladder and flanked by Gary Tennenbaum and Kevin Kirkpatrick. Row Four at top consists of Bob Dinaburg and Ralph Brown.

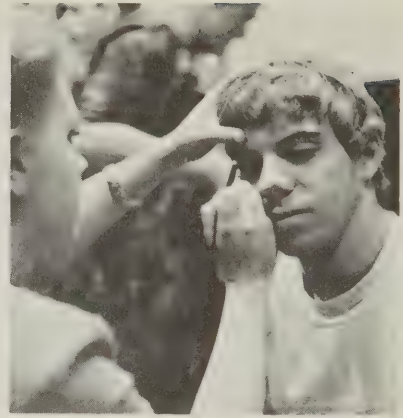

The Broome Tech Drama Club made a comeback this year under the direction of faculty adviser Mr. Drake. Three one-act plays were performed—and were well received by the students.

The productions were "The Bald Soprano," a hilarious comedy, and a double feature of "Impromptu" and "Sandbox," which were presented on the same bill.

The club is pointing toward a musical for next year to follow up its 1964-65 success.

EXECUTIVE COMMITTEE

SENIOR CLASS

Bottom Row: Eugene Burpee, Ann Boyle, Sara Sepe, Jennifer Trudgeon, Ralph Brown
Row Two: Duane Kirchbaum, Cathy Hancock, Judy Lenox, Gail Van Derveer, Mary Green. Row Three: Miss Mary Schum, advisor; Ann Marie Progorowicz, Dave Gould, Carol Barnes, Mr. Paul Chambers, advisor. Row Four: Mary Hanchak, Donna Stephenson, Michael O'Connell, Myron Sloat, Robert Snyder.

The Executive Committee is the governing body of the Senior Class, with an equal representation from each curriculum, if possible. The responsibility of the Executive Committee is to plan all scheduled class events. In the Freshman year, the Committee planned the Queen of Hearts Dance in February and The Graduation Tea for the Senior class on graduation night.

During the Senior year, the Executive Committee sponsored the King Tech Dance in December, the graduation Dinner-Dance held a few days before graduation, and it helped the administration with graduation itself. In 1964, the Executive Committee took on a new responsibility—the quite successful SUB Opening program. It is the over-all responsibility of the Committee to see that the class has well-planned, successful social events. This year the Class of 1965 planned a very successful and very well decorated King Tech Dance.

Standing: Myron Sloat—Vice-President, Michael O'Connell—President. Seated: Gail Van Derveer—Recording Secretary, Mary Hanchak—Corresponding Secretary, Carol Barnes—Treasurer.

Freshman Executive Committee

Standing: James Walker, Tom Evans, faculty advisor Mrs. Arlene Bangilsdorf, John Shillabeer, Robert Dinaburg, Peter Piza, William Connelly, Patrick Curry, Daniel Little, faculty advisor Mrs. Mary Lehmann, faculty advisor Mr. George Ferrari. Seated: Sally Zillic, Kathleen Reynolds, Joan Russell, Mary Jo Zemek, Connie Lawrio, Patricia Mann.

To govern the Freshman Class, to provide activity for the student body in the form of the Queen of Hearts Dance, SUB openings, and various social affairs, and to provide a Graduation Tea for the Senior Class are the activities of the Class of '66 Executive Committee. Headed by Class President Danny Little, and advised by Mrs. Lehmann, Mr. Ferrari, and Mrs. Bangilsdorf, the committee meets once a week with its fifteen members along with the co-ordinator of student activities, Mr. Pufky.

The members consist of the five class officers, and ten freshmen who have maintained a 2.0 average, who have not been placed on probation, and who have shown interest in their class and its activities.

The Queen of Hearts Dance was a huge success for the committee as well as for the whole school. With the dance as an example of the capabilities of the Freshman Executive Committee, the Class of 1966 showed that next year should be something to look forward to.

Daniel Little, President; Thomas Evans, Vice-President; James Walker, Treasurer; Joan Russell, Corresponding Secretary; Kathleen Reynolds, Recording Secretary.

Connie Lawrio, Sally Zillic and Betty Miller were among the many who helped to decorate for the Queen of Hearts Dance.

IEEE

Row 3: Robert Dealaman, James Malone, Douglas Kuster, Louis Gkikas, Richard Alcott, George Oswald. Row 4: Robert Baldwin, Wayne France, James Olsefski, Richard Steflik, John Czebiniak, Charles Kernehan, Stephen Czebiniak.

The Institute of Electrical and Electronics Engineers (IEEE) is the largest professional engineering society in the world. It was founded in 1884. Its objectives are scientific, literary and educational, and its aims include the advancement of the theory and practice of electrical engineering, electronics, radio, and allied branches of engineering or the related arts.

IEEE student membership privileges are extended to all students enrolled in the Electrical Technology program or the Engineering Science program.

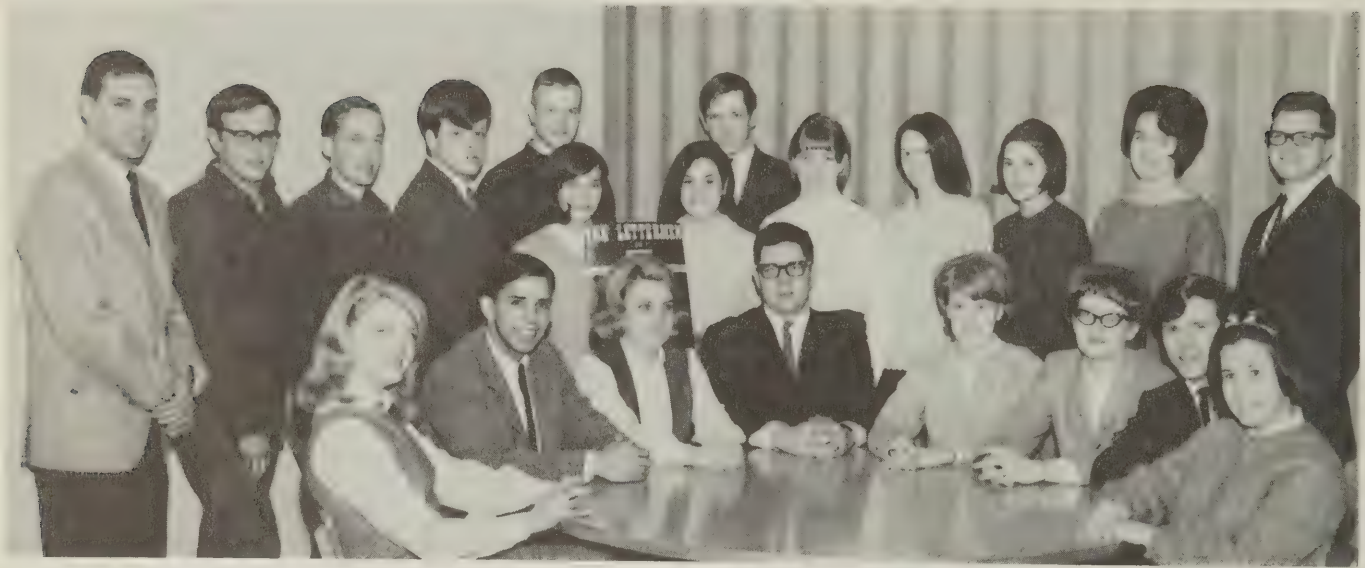

In keeping the aims of the parent organi-

zation in mind, the student branch has promoted a program of education, both theoretical and practical. Program speakers have included members of the engineering staff of IBM, Link, and Tektronix. Engineering professors from Cornell University have also appeared as guest speakers.

On campus the student branch of IEEE has assisted and sponsored the Red Cross Blood Bank Drive.

Officers: John Johnston—President, George Secord—Vice President, Sherman Mackereth—Treasurer, Ryana Naylor—Secretary.

SOCIAL COMMITTEE

Seated: Jennifer Trudgeon, Duane Kirchbaum, Mary Hanchak, Bob Kravis, Sandy Lotsman, Ann Marie Popik, Timothy Rogers, Virginia Lowe. Standing: Mr. Appel, Bill VanSteenburg, Steve Reden, John Shillabeer, Linda Mancini, Fred Emerson, Liz Borovicka, Frank Ksionzyk, Betty Miller, Joyce Jahelka, Margaret Jahelka, Kathy Reynolds, Mr. Pufky.

The Social Committee consists of students of the college who want to organize social activities on campus. Its purpose is to initiate and promote activities of such a nature as to provide students with an adequate social program.

The committee is guided by two faculty advisors, Mr. Lawrence Appel, assistant director of admissions, and Mr. Robert Pufky, co-ordinator of student activities.

The committee is responsible to act upon requests for social events and to assign social functions to various campus organizations and assist these organizations with the planning of the

functions. It allocates funds for all social events on campus.

Among the activities the committee sponsors is the annual Spring Weekend. This is a two-day affair on the first weekend in May, and the events include a semi-formal dance, a picnic on Saturday afternoon and a concert featuring a well-known musical group. This year it was The Lettermen.

For those students interested in the social life at Broome Tech, the Social Committee welcomes all new members.

Duke Kirchbaum (LA) and Bob Kravis (MT) were co-chairmen this year, with Mary Hanchak (BT) the secretary.

PHI THETA KAPPA

Seated: Gail Van Derveer, Bonnie Barnes, Frank Gohl, Bob Larkin, Dennis Ritch, Ann Marie Progorowicz, Bob Baldwin. Standing: Tony Steflik, Mr. Joseph Milensky, Mr. Harold Hickey, Thomas Moell, Myron Sloat, John Golan.

The purpose of Phi Theta Kappa, as quoted from the Honor Society Constitution, is "to give recognition to the students excelling in scholarship and at the same time participating in recognized college activities. This organization may also give recognition to members of the faculty by electing them to membership."

During the year, the Honor Society has conducted several dinner meetings at which a guest speaker has talked on the topic "Is Employment Enough?" Speakers chosen from different fields of employment and groups on campus who shared the same objectives were invited to the dinner and speech.

Requirements for membership include maintaining a 3.0 average and being active in campus affairs. Students are recommended by faculty members with the consent of the Honor Society members and their adviser.

Officers: President—Robert Larkin, Vice President—Dennis Ritch, Secretary—Ann Marie Progorowicz, Treasurer—Franklin Gohl.

Judy Still seems very interested in the remarks of Dr. Anthony Meloro, the speaker at one of the dinner meetings.

Mr. Milensky, Dr. Clark and Bonnie Barnes strike up a conversation at a dinner meeting.

NEWMAN CLUB

Bottom Row: Elaine Davis, Barbara Engle, Margaret Madigan, Mary McMahon, Kathleen Smith, Diane Reiter, Mary Gorman, Kathy Barkwell. Row 2: Dick Polak, Bob Lesko, Tom Heslin, Dominick Cavalucci, Nicolas Picciano. Row 3: Maryann Pastorok, Mr. Edward Dougherty, Father Bill, Michael Shuta, Richard Armentrout.

This club is an informal group organized to foster a better understanding of Catholic ideology. The program features religious lectures and discussions and social events. The spiritual advisor of the group is Reverend Father Bill who makes a weekly noon-hour visit to the campus to meet with any interested students.

During the past year the club was successful in innovating a noon-hour mass on campus on all weekday holy days and daily during the Lenten season.

Membership in the club is open to all Catholic students but non-Catholics are welcomed to any of the group discussions.

Father Bill says Mass at one of the many Masses directed by Newman Club.

STUDENT COUNCIL

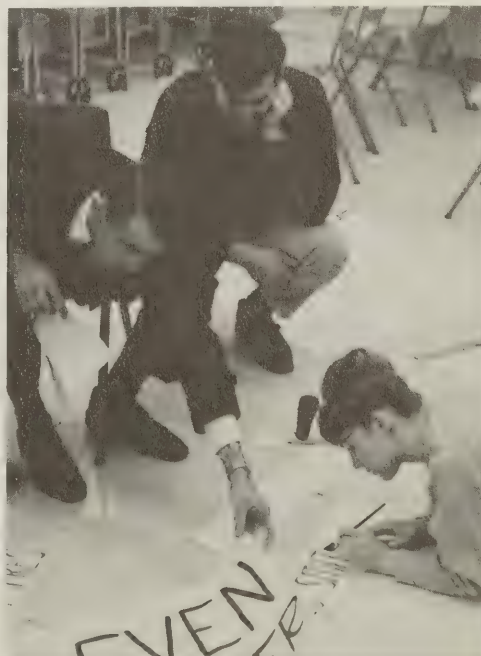

Bottom Row: Robert Pufky, Ann Marie Progorowicz, Ann Marie Popik, John Brauer, John Noreika. Row Two: Anthony Steflik, Hudda Aswad, Mary Ann Sylvester, David Gould, Donald Paxton, Russell Caforio. Row Three: Bonnie Barnes, Donna Stephenson, Elizabeth McCann, Peggy Telfer, Sally Zillic, Kathleen Reynolds. Row Four: Gary Zurn, Michael O'Connell, Betty Miller, Austin Blochberger, Tom Evans. Row Five: Jim Liddle, Charles Curtis, Robert Wallace, Eric Marsh, Richard Bartilotti.

Dave Gould points out something to Judy Still as she paints a sign for freshman election campaign. Bob Larkin enjoys watching.

The center of the co-curricular activities at Broome Tech is the Student Council. Most of the activities on campus are either promoted, coordinated, or financed by the Student Council. Each curriculum has at least two voting representatives and each co-curricular activity has a non-voting delegate.

The Council meets every other Thursday, and it concerns itself with student problems and constructive programs. All co-curricular activities function as offshoots of the Student Council, from which they derive their money and their existence.

Officers: John Brauer, President; John Noreika, Vice-President; Ann Marie Popik, Secretary; Ann Marie Progorowicz, Treasurer.

TECHETTES

Left to Right: Carolyn Day, Betty Miller, Dottie Collins, Dawn Joy, Sandy Shimer, Ann Boyle, Sue Christman, Sara Sepe, Joan Knapp, and Mary Ann Rucky.

The Techettes, a newly formed group on campus, was organized by Mrs. Kay Kopp, girls' physical education instructor. The purpose of the precision dance group is to add color to Tech basketball games by entertaining the audience at half times. This year the squad performed at four home games and one away game at Alfred Tech.

Membership is open to freshmen and senior girls with an interest, but not necessarily a talent, in dancing. The squad was headed by co-captains Sara Sepe and Sandy Shimer.

Betty Miller and Carolyn Day practice kicks during one of the many night-time practices.

TECH TALK

Tech Talk is the student newspaper on the Broome Tech campus. It is published by the students, for the students, and is issued semi-monthly.

During the 1964-1965 school year, Tech Talk made great strides in achieving the respect of both the students and the administration. The paper became not only a publication of news events, but also a sounding board of student opinion and campus controversy.

Three regular columns were featured during the year, "The Tinder Box" by Sergei Naramore, "Lagado" by Michael O'Connell,

and "The Silent 'H'" by Thomas Hmurcik.

The editor for the year was Margaret E. Telfer.

Mr. Marvin Behr, faculty advisor for the publication, taught the staff the techniques of good journalism, including straight reporting and feature writing, make-up, headline writing, copy editing, and proof-reading.

The content of Tech Talk during this year was called by many the best in many years.

Seated: Mary Jo Zemek, Joan Russell, Margaret Telfer, Carol Greenwald, Sandra Shimer. Standing: Tom Hmurcik, Gregory Gallo, Chuck Curtis, Mike O'Connell, Gleason Snashall, Gary Tennenbaum, Phillip Murphy.
